Theft Alert

P7399D - AG

Stop thieves in their tracks with our Proof Positive Signage Kit!

Each Signage Kit includes four different warning signs that are reflective and written in both English and Spanish.

- **12 x 12 x 12 Yellow Reflective Sign – Field perimeter**

Die cut triangular with round corners; aluminum with stake

- **12 w x 8 h Rectangular Yellow Reflective Hanging Sign – Pivot ladder**

Die cut with round corners, on .055 thick white polyethylene board, printed in black and one-sided with two hand holes per sign (zip ties provided)

- **24 w x 3.5 h Rectangular Yellow Reflective Decal – Span**

Die cut with round corners and backslit, printed in black and one-sided

- **4.5 x 4.5 x 4.5 Triangular Yellow Reflective Decal – Control Panel/Collector Ring/Tower box**

Die cut with round corners and backslit, printed in black and one-sided.

To order your Proof Positive Signage Kit, call Julie Bushell at 928.282.2783 or email jbushell@paigeelectric.com and put a stop to copper theft!
